# HOUSE FULL OF CONTENT AND SURROUNDED BY NATURE

Located in the quiet and lovely city of Koprivnica in the northern part of Croatia, House Brulo features accommodation with a sauna, whirlpool, an outdoor heated swimming pool, glass-covered terrace and private parking with a free of charge EV charging station.

It offers a unique experience in a family environment full of different content surrounded by nature where you can recharge your batteries by simply relaxing or taking advantage of numerous sports content (1000 m<sup>2</sup> of tennis, basketball and football courts, golf green with six holes, three golf driving ranges and kids' playground with additional hiking, running and cycling routes in the forest only 100m away from House Brulo) and entertainment content (PlayStation 4, table football and electronic darts). The host provides all the necessary sports equipment including nine bicycles.

There are four bedrooms with king-size beds (two can be split into four individual beds) and one sofa bed in the living room, two bathrooms and an additional separate restroom and shower.

The accommodation features five smart TVs with Netflix subscriptions, free Wi-Fi and portable speaker. There is a fully equipped kitchen and laundry area. The property includes an outdoor kitchen with a gas grill, solar shower and sun deck on top of the house with a breath-taking view.
